

LUMAS D. HAMILTON, JR.

HAIR STYLIST

(323) 587-8839

I am an experienced hairstylist and I am enclosing my current resume for you review and consideration on your upcoming project . My resume will show you my range and the extent of my film and television experience, including an EMMY AWARD nomination.

I have a great sense of humor, but I take my work very seriously. A great hair stylist in the industry not only has to research the script, time period, and events that may change each character's appearance, but also must maintain a very special rapport with the actor, creating a safe and patient, yet attentive, relationship with the actor. I am not only a skilled hair stylist, but a good listener.

I am a member of IATSE Local 706, work well under pressure, and I make sure the talent is confident. I love my work.

I may be reached at the above phone number and look forward to speaking with you.

**Thank you,
Lumas D. Hamilton, Jr.**
