Feature films my specialty

Script Supervisor, 30 years experience with providing, detailed script notes, lined scripts, production reports, script breakdowns, etc. for Features, TV Series, MOW's, Commercials, etc. Proficient with Final Draft, EP Scheduling, Scriptwriter and several other programs for our trade. I have assisted with editing on several of my productions.

Easy-going personality, courteous, dependable, prompt and always professional, my services are an asset to any production company. I work well under pressure, am observant and accurate.

Excellent references. Excellent reputation. Call sheets as well as samples of past script notes, lined scripts and production reports available on request. *Many compliments on my script notes.*

ALSO, teach Script Supervising for local College.
